PSA SHOP STEWARD NEWSLETTER

## Congratulations to PSA Dream Holiday WINNER!

**T**he year 2022 was eventful for the PSA and its members. One of the highlights was the popular recruitment competition where a vacation voucher to the value of R20 000 was at stake. The competition was open from 5 September to 24 November 2022 and yielded excellent results.

Freddy Luke (*pictured above*) from the Department of Correctional Services was the top recruiter. Freddy who has been a PSA member since 2013, successfully recruited 106 members in the competition. He cites “finding a balance between recruitment, retention, and being an effective shop steward” as his key to success. Freddy also expressed appreciation to the PSA’s Provincial Office in Pretoria for the support he receives whilst carrying out his shop steward duties.

The PSA would like to thank all shop stewards who participated in the competition and applauds their efforts and dedication to members.

### Pensioner member recruitment

The PSA greatly appreciates public service pensioners who have spent many years investing in the economy and serving society. Through the Branch for Associate Members: Public Service Pensioners, the PSA is the only Union that offers members the option to continue with membership after retirement.

Members who leave the Public Service owing to voluntary separation from their jobs, retrenchment, retirement on a pension, or any other reason, are eligible for PSA associate membership at a discounted rate. The PSA and the Branch continue to play a significant role in ensuring fair pension increases for Government Employees Pension Fund pensioners and other service to pensioner members. Associate members also qualify for fringe benefits offered by the PSA and its business partners, including free PSAClub membership.

**Please support the PSA’s recruitment efforts to strengthen its pensioner membership base.**
