PSA SHOP STEWARD NEWSLETTER

PSA's full-time shop stewards rewarded

Full-time shop stewards render vital support to the Union's Administration. With this in mind, the PSA would like to reward full-time shop stewards for their efforts and commitment.

To further enhance service delivery by full-time shop stewards, the PSA will reward their performance in a competition that kicks off on 30 August 2017.

How it works?

- PSA Provincial Managers will nominate full-time shop stewards based on their ongoing performance in respect of *recruitment, cases handled, PSA social media participation, and social responsibility involvement.*
- Provincial Offices can nominate up to a maximum of four full-time shop stewards, whose profiles will be featured in various PSA publications in random order.
- **All nominees will be rewarded with a R500 Shoprite voucher!**
- Nominations should be supported by a motivation letter from a PSA Provincial Manager, a full profile of the nominated full-time shop steward as well as a colour photograph (1MB minimum).
- The competition runs from 30 August 2017 (submissions for nominations open) and all entries must be submitted to the PSA Head Office by 1 November 2017.
- **All nominations will be entered in a draw with the winning full-time shop steward (selected by a Head Office panel of judges) winning TWO TICKETS to a special event (e.g. concert, sport event)!**

The overall winner will be announced early in 2018.
